STATEMENT REGARDING THE “DECLARATION OF CHANGE” DOCUMENT & RALLY

On behalf of the Adrian College administration, I look forward to continued dialog and the development of ideas expressed in the “Declaration of Change” document presented to Adrian College on June 16, 2020.

I will call on the College’s Institute for Cross-Cultural Studies to take a leadership role in coordinating the dialog framework for continued development of response actions informed by the “Declaration of Change” document and continued discussions, including today’s event.

I encourage all of us to seek out thoughtful, peaceful and meaningful expressions of ideas so that actionable change and growth may be the outcome.
