Our records indicate that you previously had a Perkins, Federal Family Education Loan (FFELP) and/or Direct loan discharged due to total and permanent disability. In order to receive additional federal student aid funding, you must submit documentation of your eligibility to the Office of Financial Aid (OFA).

Attach a letter from a legally licensed physician (on letterhead) certifying that the disability does not prevent you from engaging in substantial gainful activity such as working or attending school. **This is required.** Having requested and had conditionally discharged an obligation for repayment of previous FFELP or Federal Direct Loans, you affirm that any new federal loan(s) for which you may apply and receive, cannot be cancelled in the future based on the previously claimed circumstances or impairment, unless your impairment substantially worsens to the point that the requirements for permanent and total disability are once again met.

I certify that the submitted information is true and accurate to the best of my knowledge and belief. If asked by an authorized official, I agree to provide additional proof of the information provided on this form. I understand that the decision made on the basis of the petition only affects my application for financial aid at Adrian College.
