Owing to extenuating circumstances, students may petition the College's Academic Status Review Committee for exceptions to rules concerning academic policies, procedures and graduation requirements. The committee will consider only those petitions that have been reviewed by the academic advisor and that have been submitted far enough in advance that, if denied, the petitioner will have sufficient time for re-scheduling or to take other appropriate action. Senior petitions dealing with graduation requirements must be submitted by the last day of the semester prior to graduation.

**Completed petitions should be submitted to the College Registrar's Office.**  
Students are advised to confer with the Registrar at the time the petition is submitted.
